The full format of the statement of standalone unaudited financial results are available on the websites of the National Stock Exchange of India Limited ([www.nseindia.com](http://www.nseindia.com)), BSE Limited ([www.bseindia.com](http://www.bseindia.com)) and also on the Company's website ([www.jaypeeinfotech.com](http://www.jaypeeinfotech.com)).
- The Company has been under Corporate Insolvency Resolution Process (CIRP) under Section 207, 2017 under the provisions of the Insolvency and Bankruptcy Code (IBC) 2016. Mr. Anuj Jain was appointed by NCLT, Allahabad as Resolution Professional (RP) to carry the functions as mentioned under the Code. The Hon'ble Supreme Court of India vide its order dated September 11, 2017 in writ petition (Civil) No. 744/2017 also directed that Mr. Anuj Jain shall forthwith take over the management of the Company. Since then, the Company's business and assets are being managed by the RP on going concern basis. As per the CIRP, the Resolution Plan submitted by the final Resolution Applicant shortlisted by the Committee of Creditors (CoC) was not approved by CoC within the mandatory period of 270 days, that ended on May 12, 2018. The Hon'ble Supreme Court of India vide its order dated May 16, 2018 directed that RP shall remain in the management.
- As the powers of the Board of Directors have been suspended, the above results have not been adopted by the Board of Directors. However, the same have been signed by Shri Manoj Gaur, Chairman Cum Managing Director of the Company confirming accuracy & completeness of results. These financial results have thereafter been taken on record by the RP on July 31, 2018 for filing with the stock exchanges. The same have also been subjected to Limited Review by the Statutory Auditors.
- The Company has aligned its policy of revenue recognition with Ind AS 115 - Revenue from Contracts with Customers effective from April 1, 2018. Accordingly, revenue from real estate sales has been recognised based upon 'Satisfaction of performance obligation at a point in time method' as against 'Percentage of completion method' hitherto in accordance with the guidance note issued by ICAI which has since been withdrawn. The net cumulative effect of initial application of Ind AS 115 up to March 31, 2018 aggregating to Rs. 814.93 Crore has been appropriated against the retained earnings as at the initial adoption date, as permitted by the standard. However, total loss for the quarter ending June 30, 2018 would have been higher by Rs. 41.51 Crore if the company would have recognised the revenue from real estate sales for the period based upon erstwhile 'Percentage of completion method'. The comparative information is not restated in the standalone financial results.
- Figures for the previous periods have been regrouped /reclassified wherever necessary to conform with those of current period.
